Feedback System:

Collection of Feedback from Students, Teachers, Alumni, and Employers / Professionals:

The Arya College of Pharmacy collects feedback on curriculum aspects and courses from different stakeholders such as the students, alumni, Faculty, and Employers.

The Institution established IQAC to ensure and analyze academic excellence at student and faculty levels. The Periodical analysis is made by IQAC from the following: student performance, faculty performance in every semester, utilization of infrastructure, and requirements for quality enrichment.

Institute collects the feedback physically from viz. Students and teacher on Curriculum which is prescribed by the university, further college website invites all holders to provide feedback through online.

The college conducts an annual Alumni Meet, in which suggestions and feedback are received from Alumni students. Feedback from industrial management and professionals is obtained through the college web site's feedback blog. The provided feedback data is presented to the IQAC meeting for necessary implementation in the curriculum.

Alumni surveys are conducted during alumni interaction at the alumni association meeting held every year. Whenever any alumni visit the college, feedback is taken.

Feedback collected and analyzed:

The feedback collected from various stakeholders is used to analyze for a various aspect to identify the problem regarding the course curriculum and their data is used to rectify the root cause and further their suggestions are considered and placed before the IQAC for discussion and possible incorporation in the curriculum.

Syllabus review given by the concerned subject faculty at the end of the semester in respect to the implementation of the syllabus, mode of presentation, lecture material, suggested books, and updated information.

Feedback overview is an expositive survey done by every out-going batch about concerning syllabus designing, faculty sufficiency, campus placements, and infrastructure.

The IQAC is formed to assess three major aspects, viz., Faculty Performance, Students Support System and Evaluation.

Apart from this, management supports student involvement through seminars, webinars, and student innovations for the further development of the curriculum.

After collecting and assessing the feedback from the various stakeholders on curriculum aspects, the valuable suggestions if any, will take notice to the Academic council and further to the university curriculum review committee whenever they invite the suggestion from the affiliated colleges, to possible changes in the course structure for the next curriculum regulation.

The Arya College of Pharmacy follows a continuous review system of the curriculum. The functioning of various committees of the College strengthens the quality sustenance and enhancement measures to ensure the effective development of curricula. The college makes efforts to integrate socially relevant issues into the curriculum with the help of the different cells functioning in the college like Career Guidance Cell, Anti-Ragging Cell, SC/ST Cell, and NSS. The IQAC has been organizing Faculty Development Program every year to enhance the professional competency and teaching pedagogy of the faculty. The Curriculum is enriched through mini - projects/student conferences/symposiums and innovative clubs in the college.

Students are also introduced to pharmacist as a profession that requires not only technical skills but also an ethical orientation, and of the need for lifelong learning.
