Feedback from Faculty Members and action taken report Odd (2021-22)

S. No.	Feedback	Action Taken
01	Curriculum needs to be upgraded on par with the latest developments in the world and some changes were made after coming of semester system.	Curriculum for the first year we recommended PCI to Add "use of water in pharmaceutical" to the syllabus as it is not addressed.
02	Case study approach may be introduced. Group assignments and projects to be given	Case study assignments were given to the students. This helped them to acquire problem solving skills. Group assignments and projects were given to the students.
03	Faculty- student interaction may be enhanced. Smart class programmes may be made effective.	Faculties were asked to do the interaction with students more frequently and use the smart class rooms, and video conferencing etc made effective by use of ICT.
04	Current day industry training demand be considered in curriculum	Carrier guidance programs were given and counselling cell supported the development of softskills and communication ability
05	Entrepreneur and industrial ability of the students be encouraged	Innovation, Incubation, Entrepreneurship have been promoted in structured manner. Appropriate weight age has been given in revamped curriculum.
06	Research quality may be enhanced by collaborative research with other institutions in India and abroad.	MOUs/Agreements were signed with Industries, universities and reputed institutions to enrich research experience and facilitate staff and student exchange program.
07	Participation of the students in live projects, debates, workshops be appreciated appropriately	A methodology for student participation in debates and seminars was developed and applied.
