1. **Title of Workshop/Seminar/Conferences:** Ethical issues in animal experimentation
2. **Date:** 22.12.2019
3. **Guest of Session:** Mr. Vinit Sharma
4. **Number of Student Participated:** 42
5. **Benefit Report:** This seminar would provide participants with a comprehensive understanding of the ethical issues surrounding animal experimentation. Participants will learn about the historical and cultural context of animal experimentation, the scientific and medical case for animal experimentation, and the ethical issues that arise from its use. They will also learn about alternative methods and the policy and regulatory frameworks that govern animal experimentation. This seminar will provide a forum for discussion and debate on these important ethical issues.
