

## NEP Implementation in the Institution

01. **Multidisciplinary / Interdisciplinary**
02. **Academic Bank of Credits (ABC)**
03. **Skill Development**
04. **Appropriate Integration of Indian Knowledge System**
05. **Focus on Outcome Based Education (OBE)**
06. **Distance Education / Online Education**

### 01. **Multidisciplinary / Interdisciplinary:**

College is affiliated to Rajasthan University of Health Sciences, Jaipur and thus follows the curriculum prescribed by the parent university. College does not hold an autonomous status at present that allows the inclusion of programs and courses beyond the prescribed syllabi. However, College does align its vision with NEP for the holistic development of the learners through its own myriad ways. College also offers various programs that promote interdisciplinary interaction among students and faculty. College at present offers Pharmacy Diploma, undergraduate program and post graduate program in Pharmaceutics and Pharmacology as specializations.

Pharmacy have been provided with a few options by the parent university where a brief interface between humanities, environment, value based education takes place. To name a few, courses on communication, soft skills, human values, environmental science and more have been ingrained and regularly taught by faculties. College is competent enough with well qualified faculty to address the interface between Pharmacy and humanities, provided the parent university gives the permission to run more such cases.

In order to fill the aforementioned gaps, College organizes regular activities such as Blood Donation camps, Human Values projects and promotes various courses to facilitate the multidisciplinary approach towards teaching and learning process. In order to promote more multidisciplinary research, College has recognized Research Centre and Research Lab.

In order to introduce the element of interdisciplinary nature of subjects as suggested in NEP, the parent university has introduce choice based elective subjects which are from disciplines other than their chosen discipline.

## 02. Academic Bank of Credits (ABC) :

College keeps a record of the credits earned by each and every student. It also encourages and help the students through mentors to earn more and more credits. As we do not hold autonomous status, we are not in a position to consider the credits which can be earned by the students from other universities either in India or abroad.

Gandam

### 03. Skill Development :

College since its inception has been vocal about the importance of skill development and has been putting in multiple measures in this regard. College has a specific Student Development Cell (SDC) that caters to professional and Soft Skills Development of the students. College has had tie ups with multinational companies in this domain and regular faculty training with certifications have eased the process of transferring the required skill sets. The courses on soft skills have been assimilated in the regular timetable and have been assigned internal grading system to encourage participation. Apart from this; the parent university has introduced a credit based course on Universal Human Values which deals with inculcating value education among students.

## 04. Appropriate Integration of Indian Knowledge System :

(Teaching in Indian Language, Culture, using Online Course)

The Indian Knowledge System and Culture essays a rich tradition that needs to be cherished with sustainable efforts. College despite the restricted privileges allowed by the RUHS fosters the promotion of Indian Culture and Values by significant clubs.

**AKSHAY PATRA :** These are national societies for promoting Indian art forms. College organizes regular events with Akshay Patra to promote interest about the traditional and rich art forms in the budding technocrats.

**CELEBRATION OF NATIONAL DAYS / FESTIVALS :** College regularly organize and celebrate all National Days and Festivals in own premises with enthusiasm where Teacher and Students glorify the feeling of pride for unity in diversity and the unbroken national spirit. It works on the following objectives:

- To celebrate the Unity in Diversity of our Nation and to maintain and strengthen the fabric of traditionally existing emotional bonds between the people of our Country.
- To promote the spirit of national integration through a deep and structured engagement between all Indian States and Union Territories through a yearlong planned engagement between States.
- To showcase the rich heritage and culture, customs and traditions of either State for enabling people to understand and appreciate the diversity that is India, thus fostering a sense of common identity.
- To establish long-term engagements and, to create an environment which promotes learning between states by sharing best practices and experiences.

Arya College of Pharmacy celebrates **“World Yoga Day”** by organizing Yoga Camp on **21<sup>st</sup> June** every year to spread Awareness about the Benefits of Practicing Yoga. On this event Students and Staffs join on the Ground for Yoga Practice.

## 05. Focus on Outcome Based Education (OBE) :

College has already adopted Outcome Based Education (OBE) system as envisaged in NEP for evaluating performance, knowledge and skills of students through the attainment of POs, PSOs and COs. The faculty members provide a transparent path way for student success by writing clear and comprehensive COs as suggested by Bloom's Taxonomy. The COs are then mapped as the scale of 0 to 3, where 0 is used for no correlation and 3 is used for strong correlation.

## 06. Distance Education / Online Education :

With the onset of the pandemic, the concept of online education has strengthened its roots all across the globe. College has taken some of the pioneer steps in providing online education with the options of Online Classes through Paid Zoom Platform, live and recorded lecture facility. The aim is to address the limited resources at the learner's end and the vision culminated in the establishment of three well equipped digital studio. The studio enables the learners to study at their convenient time and place. All the lectures for all curriculum-based subjects are pre-recorded and made available at the digital library, Website of the college ([www.aryavideonotes.com](http://www.aryavideonotes.com)).
