NOTICE

Dear staff and students of Arya College of Pharmacy,

We are pleased to announce that the college is organizing a Tree-Plantation campaign on January 26th, 2021. This initiative aims to promote environmental sustainability and increase awareness about the importance of preserving our planet's natural resources.

We urge all staff members and students to actively participate in this campaign and contribute towards making it a success. Planting trees is a small yet significant step towards creating a healthier and greener environment for ourselves and future generations.

We request interested individuals to contact the college administration for further details on how to get involved in this campaign. Let us work together towards creating a better tomorrow.

CIRCULAR

Dear all,

This is to inform you that the use of fuel-powered vehicles inside the campus is now restricted. This decision has been made to minimize air and noise pollution and to ensure the safety of all pedestrians on campus.

We request all staff members and students to comply with this new provision and use alternative modes of transportation such as bicycles, electric vehicles, or public transportation wherever possible. We have provided ample parking space outside the campus for staff and students.

We urge everyone to support this initiative and help us maintain a clean and safe environment for all. Let us work together to reduce our carbon footprint and create a sustainable campus.
