Policy:

Clean Campus Initiatives

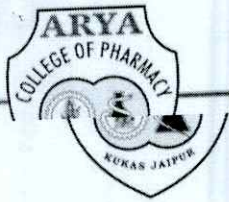

Arya College of Pharmacy, Jaipur had pledged to actively coordinate cleanliness activities in the college and beyond the campus in accordance with the vision of Swachh Bharat Abhiyan. It commits to continue with this Program.

The broad vision is as follows:

1. Generating mass awareness on cleanliness and hygiene amongst students and staff members by holding regular cleanliness drives. The idea is to motivate them to contribute in a proactive manner.
2. Activities under 'Swachh Bharat Abhiyan' will be a key component of all the community work being done by NSS and volunteers of the college.
3. Staff Members will be encouraged to participate in the cleanliness drive in the college campus.
4. Removal and disposal for recycling all kinds of waste material like broken furniture, unusable equipment, papers etc.
5. Administer of the pledge by students and staff members to maintain cleanliness of the college campus and its surrounding areas on an annual basis.
6. Conduct workshops on the 3Rs: Reduce, Reusing and Recycling of waste.
7. Commit to manage waste and maintain clean campus especially during college events.

Landscaping Initiatives:

It is a vital part of the life of a campus, providing space for study, play, outdoor events, relaxation and aesthetic appreciation. Green campus landscapes also manage runoff, help recharge groundwater, and clean and cool the air on campus. The landscape serves as a visual representation of the campus community's commitment to sustainability. As campus landscapes are so visible and accessible, landscaping initiatives are a great way to build awareness around the environment.

There are more than 100 trees and more than 250 shrubs on campus. The landscape of trees and plants provide the 800+ students and staff with clean and cool air and is a soothing environment.

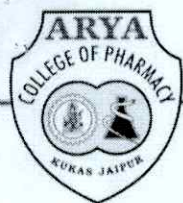

The college commits to enriching this healthy habitat and maintaining the symbiotic relation of the institution with nature by

- Organizing annual tree plantation drives
- Encouraging student clubs to hold tree planting events

Clean Air Initiatives:

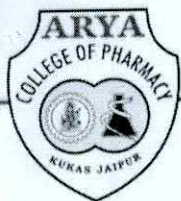

We encourage our students and staff to use public transportation. Our campus is also located in the outskirts of Jaipur. For this reason, we feel responsible to maintain our green cover. The abundant natural landscape cleans the air on campus.

Infrastructural Initiatives:

- **Renewable Sources of Energy:** Arya College of Pharmacy is dedicated to minimize and sustainably manage its use of electricity. The college believes in reducing the consumption of electricity produced by non-renewable resources by switching to clean energy sources like solar energy for purposes like lighting the campus. Hence solar panels were installed on top roof of the college building.
- **Energy Saving and Energy Efficient Equipment:** We commit to install environment-friendly electrical appliances that save energy and reduce wasteful inefficiencies. The college believes in using cleaner energy such as LED lighting.
- **Water Conservation through Rainwater Harvesting System:** Arya College of Pharmacy has committed itself to the effort to replenish the groundwater table by practicing rainwater harvesting. This practice helps in the replenishment and recharge of the groundwater.

Waste Management Processes:

Arya College of Pharmacy strives to have a minimal impact on the environment and is dedicated to reduce and manage the waste generated by the college campus. The following specific procedures will be undertaken to ensure Arya College of Pharmacy contribution in protecting the environment.

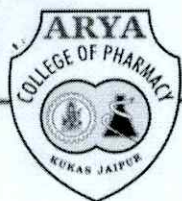

- **Solid Waste Management:** With its aim to provide holistic education that also has a positive impact on the environment, the college will adopt practices that will mitigate the generation, and manage solid waste through the following methods:

- Systematically engage with the 3Rs of environment friendliness (Reduce, Reuse and Recycle).
- Collect paper waste produced on campus and collaborate with scrap dealers for recycling.
- Reduce solid waste by developing a technology-centric teaching and administrative model.
- Reduce use of paper by supporting digitization of attendance and internal assessment records.
- Reduce requirement of printed books by updating the e-books and e-journals collection of the college library.
- Take initiatives to spread awareness amongst students about
 - ✓ Food wastage and ways of minimizing it
 - ✓ Minimizing the use of packaged food
 - ✓ The habit of reusing and recycling non-biodegradable products
 - ✓ Organizing workshops for students on solid waste management.

Sanwan

- **Liquid Waste Management:**

- Maintain leak proof water fixtures.
- Minimize the use of water by constructing more Indian style toilets instead of western style toilets.
- Continued employment of a caretaker to take immediate steps to stop anywater

leakage through taps, pipes, tanks, toilet flush etc.

- Reuse of wastewater generated by the Reverse Osmosis (RO) system in washrooms.
- **E-Waste Management:** Arya College of Pharmacy ensures that its usage of technology and generation of e-waste does not impact the environment. For this purpose, the college plans to strive towards:
 - More provisions for the disposal of the institutional e-waste.
 - Awareness amongst students about reduction of e-waste and environment friendly disposal practices for e-waste.
 - Encouraging department and society level activities pertaining to e-waste management.

Awareness Initiatives:

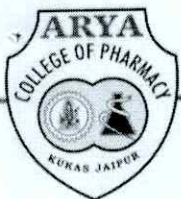

Outreach and education are of utmost importance so that all members of the campus community may value the objectives of the policy and aid in its implementation. This is why Arya College of Pharmacy supports and encourages awareness campaigns, seminars, workshops, conferences and other interactive sessions to facilitate effective implementation of the Green Campus, Energy and Environment policies.

- **Environment-centric Student Clubs and Department Activities:** Arya College of Pharmacy encourages all the departments and specific student societies like; NSS, and others to organize events, competitions and training sessions that will bring about positive environmental changes at the grass root level. The college supports departments and student clubs in moulding the students into active agents of environment protection and conservation.
- **Green Warriors:** Institutional changes towards sustainability and eco-friendly

Practices have percolated down to the students which have led more and more students to join the initiative. Making the club a compulsory one will provide it a bigger platform to broadcast the institution's environmental values to raise awareness. This will aid the green initiatives and practices that are a part of this policy to grow exponentially.

- **Plastic-Free Campus:** Arya College of Pharmacy has been observing most of its duties in terms of solid waste management since its inception. In view of the Government of India's resolution to ban all single use plastics due to the hazardous impact of plastic use and pollution, the college administration strictly bans the use of single use plastics in its premise to make it a 'Plastic Free Campus'.

Ban on use of plastics

Sustaining cleanliness is the essential part of healthy living because it is hygiene and helps us to develop our personality by keeping us clean externally and internally. Arya college of pharmacy decided to go plastic free in the campus. There are no paper cups, plastic plates and spoons instead of that we are using steel glasses, plates and spoons inside the campus. We are using only steel. We had "Plastic freezone" to create awareness among the community as whole to stop the pollution and leave behind a green and pollution free place for our future generations

Dear all,

This is to inform you that the use of fuel-powered vehicles inside the campus is now restricted. This decision has been made to minimize air and noise pollution and to ensure the safety of all pedestrians on campus.

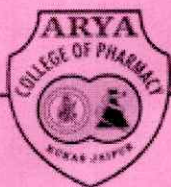

We request all staff members and students to comply with this new provision and use alternative modes of transportation such as bicycles, electric vehicles, or public transportation wherever possible. We have provided ample parking space outside the campus for staff and students.

We urge everyone to support this initiative and help us maintain a clean and safe environment for all. Let us work together to reduce our carbon footprint and create a sustainable campus.

Clean India Campaign

The Clean India campaign, also known as the Swachh Bharat Abhiyan, is a national cleanliness mission in India. It was launched on October 2, 2014, by the Government of India with the aim of making India a clean and hygienic nation. The campaign is one of the flagship initiatives of Prime Minister Narendra Modi. The objectives of the Clean India campaign are to eliminate open defecation, improve solid waste management, promote cleanliness and hygiene practices, and create awareness about sanitation and its importance. The mission focuses on both urban and rural areas of the country.

Swachh Bharat Mission (Gramin) and Swachh Bharat Mission (Urban): The Clean India campaign is implemented through two separate missions—one focusing on rural areas (Swachh Bharat Mission Gramin) and the other on urban areas (Swachh Bharat Mission Urban). Both missions work towards achieving their respective cleanliness goals.

Dear Students and Faculty Members,

As we celebrate the 75th Independence Day of our nation, Arya College of Pharmacy, Jaipur, is proud to announce its participation in this historic occasion with a plantation drive and celebration event on August 15, 2021.

The plantation drive is a small but significant step towards our commitment to the environment and creating a sustainable future. We will be planting trees on the campus premises to increase green cover and improve the air quality. We urge all students and faculty members to participate in this noble cause and contribute to the betterment of our planet.

After the plantation drive, we will be celebrating the 75th Independence Day of our nation with great enthusiasm and patriotic fervor. The flag-hoisting ceremony will begin at 10:00 AM, followed by cultural programs, speeches, and other activities. We will also take a moment to honor the sacrifices of our freedom fighters and pay our respects to our great nation.

We request all the students and faculty members to attend this event and make it a grand success. Let us come together and celebrate the spirit of independence and our commitment to a greener and better future.

Dear Students,

We are delighted to inform you that Arya College of Pharmacy, in collaboration with Gram Panchayat Jamwarangarh, is organizing a Tree Plantation Awareness Drive on 5th June 2019. The objective of this drive is to promote environmental awareness and encourage students to participate in tree plantation activities.

We believe that tree plantation is an essential step towards preserving the environment and ensuring a sustainable future. Through this drive, we aim to educate our students about the importance of trees and their role in maintaining a healthy environment.

We request all the students of Arya College of Pharmacy to actively participate in this drive and make it a success. The drive will include a tree plantation activity, where each student will be given the opportunity to plant a tree sapling. We encourage all the students to actively participate and make this event a grand success.

We also extend our gratitude to the Gram Panchayat Jamwarangarh for collaborating with us in this initiative. Their support and cooperation have been instrumental in making this drive a success.

We request all the faculty members to support and encourage the students in their participation in this drive. We also urge everyone to spread the word and motivate others to participate in the Tree Plantation Awareness Drive.

Let us work together towards the goal of a cleaner and greener environment.

CIRCULAR

Dear Students,

As you all know, Swachh Bharat Abhiyan is a nationwide cleanliness campaign launched by the Government of India. It aims to make India clean and free of litter and pollution. We, at Arya College of Pharmacy, are committed to contributing to this campaign.

To further this initiative, we are organizing a cleanliness drive on 13/02/2020 in our college premises. We urge all students to actively participate in this drive and help keep our college campus clean.

The cleanliness drive will start at 10:00 AM. We request you to bring your own cleaning materials such as brooms, mops, gloves, and dustbins.

We also request you to spread awareness about Swachh Bharat Abhiyan and encourage others to keep their surroundings clean.

Let us all come together and make a difference in creating a cleaner and healthier environment.

Thank you.

CIRCULAR

Dear Students and Faculty Members,

As we all know, the current global situation has brought about significant changes in our daily lives. As a responsible educational institution, Arya College of Pharmacy, Jaipur, understand the importance of promoting healthy habits and protecting our environment. In line with this, we are pleased to announce that we will be organizing important activities - Tree Plantation and Mask Distribution.

On August 15, 2020, we will be conducting a Tree Plantation and mask drive on our campus.. We request all students and faculty members to actively participate in this drive and contribute towards making our campus a greener and healthier place.

Furthermore, we will also be distributing masks to all students and faculty members on the same day. This initiative aims to encourage the practice of wearing masks, which is an essential preventive measure in the current scenario. We urge everyone to wear masks at all times while on campus to ensure the safety of themselves and others.

Dear Students,

We are pleased to announce that Arya College of Pharmacy, Jaipur, is organizing a Tree Plantation Awareness Drive on 2nd October 2018. The objective of this drive is to spread awareness among the students about the importance of planting trees and their role in maintaining a healthy environment.

We believe that every individual can contribute to the cause of a cleaner and greener environment, and it starts with taking small steps. Planting trees is one such step that we can take towards this goal. Through this drive, we aim to educate our students about the benefits of planting trees and the positive impact it can have on our environment.

We request all the students of Arya College of Pharmacy to actively participate in this drive and make it a success. The drive will include a tree plantation activity, where each student will be given the opportunity to plant a tree sapling. We encourage all the students to actively participate and make this event a grand success.

We request all the faculty members to support and encourage the students in their participation in this drive. We also urge everyone to spread the word and motivate others to participate in the Tree Plantation Awareness Drive.

Let us work together towards the goal of a cleaner and greener environment.
