Arya College Jaipur is a premier institution offering a Bachelor of Pharmacy (B.Pharm), Master of Pharmacy and Diploma in Pharmacy program approved by AICTE and PCI. Our program is designed to provide our students with a strong foundation in pharmaceutical sciences, preparing them to excel in a dynamic and rapidly evolving industry.

Our state-of-the-art facilities, experienced faculty, and comprehensive curriculum ensure that our students receive a well-rounded education that combines theoretical knowledge with practical experience. Our program covers a wide range of topics, including pharmacology, pharmaceutical chemistry, pharmacognosy, pharmaceutical analysis, and regulatory affairs, among others.

We place a strong emphasis on experiential learning, providing our students with ample opportunities to gain hands-on experience through internships, industrial visits, and practical sessions. Our students also benefit from our strong industry connections and placement support, with leading pharmaceutical companies offering promising job profiles to our graduates.

**PHARMACY AT
ARYA COLLEGE
JAIPUR (Raj.)**

At Arya College Jaipur, we believe in fostering holistic development, instilling in our students a sense of social responsibility and ethical values, along with technical and professional skills. Join us to embark on a fulfilling and rewarding career in the pharmaceutical industry.

Inspiring breakthroughs,
Creating a healthier
tomorrow.

Arya College Jaipur offers a range of pharmaceutical programs designed to cater to the diverse needs of students and the industry. Our programs include:

Bachelor of Pharmacy (B. Pharm): A four-year undergraduate program that provides students with a comprehensive understanding of the principles and practices of pharmacy. This program covers a range of subjects, including pharmaceutical chemistry, pharmacology, pharmaceutics, and pharmacognosy.

Master of Pharmacy (M. Pharm): A two-year postgraduate program that offers advanced training in specialized fields of pharmacy, such as pharmacology, pharmaceutical chemistry, pharmaceutics, and pharmacognosy. This program is designed to equip students with the necessary skills and knowledge to excel in the pharmaceutical industry.

Diploma in Pharmacy (D. Pharm): A two-year diploma program that provides students with a basic understanding of pharmacy. This program covers subjects such as pharmacology, pharmaceutics, and pharmaceutical chemistry, among others. The program is designed to prepare students for entry-level positions in the pharmaceutical industry.

At Arya College Jaipur, we strive to provide our students with a well-rounded education that combines theoretical knowledge with practical experience. Join us to gain the skills and knowledge necessary to succeed in the dynamic and fast-paced pharmaceutical industry.
